## My Service Canada Account — Information Session

If you've been laid off, setting up a My Service Canada Account (MSCA) is one of the most important first steps. This session walks you through what an MSCA is, why you need one, and how to register — so you can apply for EI and manage your benefits without delay.

### What we'll cover

- What a My Service Canada Account is and why it matters after a layoff
- How to apply for Employment Insurance (EI) online
- Submitting your bi-weekly EI reports
- Setting up direct deposit so you get paid faster
- Viewing your Record of Employment (ROE) and payment history
- Accessing your T4E tax slip at tax time
- How to register: Interac Sign-In Partner, GCKey, and Personal Access Code (PAC) explained

Date	Time
Friday May 22, 2026	9am - 4pm

Sessions will be held at **68 Dennis Street**. Action Centre staff will be available after the session to help you register on the spot — bring photo ID and your SIN.
